## Senior Portrait Information

The official photographer is Sullivans Studio in Salisbury. If you chose to use a different studio, you are responsible to providing a photo to the yearbook (room 136) no later than October 14th. Senior portraits should be HEAD AND SHOULDER shots, at least 2" wide by 2.5" high with a resolution of 300 dpi. The yearbook is in color but some people prefer a black and white portrait. Any appropriate background or attire is acceptable. Photos may be submitted on a flash drive, CD, paper, or emailed to the advisor, [learyb@amesburyma.gov](mailto:learyb@amesburyma.gov). If you email, be sure to email at the highest possible resolution.

If you are unable to provide a portrait, you may use your ID photo or our yearbook photo department will take a portrait for you. See Ms. Leary in room 136.
