

Newburyport-Amesbury Annual Thanksgiving Food Drive

Amesbury High School

All-Sports Boosters

Approximately 1 out of every 11 people in Massachusetts receives local hunger-relief services from Massachusetts' food banks.

Please join the Booster Clubs from Newburyport and Amesbury High Schools, and your friends and neighbors from both communities as we team up to continue our tradition of helping our neighbors in need during the holiday season.

Collection sites will be set-up at the Thanksgiving Day football game between the Newburyport Clippers and Amesbury Indians being held at the Newburyport High School Memorial Stadium.

Donations made at this year's game will be sent to Our Neighbors' Table. Our Neighbors' Table provides assistance to our neighbors in Amesbury, Boxford, Byfield, Georgetown, Groveland, Merrimac, Newbury, Newburyport, Rowley, Salisbury, South Hampton and West Newbury.

The following non-perishable items are needed most: Canned Tuna/Chicken – Canned Fruit – Canned Beef Stew – Canned Soup (especially chunky soups and chowders) –

Shampoo – Deodorant - Toothpaste

Please check the expiration date on items being donated

As we get together for some great football and to celebrate the season, please take time to give thanks by remembering our neighbors in need.
