***Hello Grade Three Families,***

*We want to provide families with some digital resources that students may be asked to complete online. All of the third-grade teachers will be utilizing “**google classroom**” to assign online classroom activities. The students are familiar with using this tool.*

Log into their google accounts  
Click on Google Classroom App  
Click on Teacher’s page  
Read and complete assignment

*In addition to assignments in Google Classroom, students have usernames and passwords for the following **websites**. Your child’s teacher has given him/her directions on which specific sites she prefers they log on to.*

Reflexmath.com  
Zearn.com  
IXL.com  
Xtramath  
Prodigy  
Khanacademy.com

Here is some additional information about supporting your child’s learning at home--from the National Center on Improving Literacy
