

A message from our Counselor:

Dear Families,

Thank you for all you are doing to support your child's engagement in distance learning. Although there is only a month of school left, it is important that our students keep on working on class assignments and joining their teachers for class meetings. With the good weather, I know it is hard for the kids to stay engaged in schoolwork. I hope you find the ideas in the attached PowerPoint helpful as you continue to manage this challenging task.

Sincerely, Jessica Moody
