

Dear Parents/Guardians,

Congratulations to all families! You have done an amazing job of working with your children and we are now at the last week of school. We have many fun activities this week for families and students.

Monday: Prepare for field day by choosing your field day activities, collecting materials and making your grade level flag. Flag colors:

Kindergarten: Green

First Grade: purple

Second grade red

Third grade: blue

Fourth grade: rainbow

Tuesday: Participate in field day from 10:00-3:00. Click below to view field day activities:

THANK YOU TO MRS. WELCH FOR OUR FUN FIELD DAY ACTIVITIES!

Wednesday: AES Virtual Parade

Come and say good-bye to AES Staff for the summer. It will be a hot day. Let's get creative...bring something to spray your teachers with and cool them off!

Come to AES during the time slot and drive through the parking lot of AES. The route will be clearly marked! If you can't make the parade Mr. McBrien is working on trying to livestream it. More information to come!

Thank you to families who participated in our Relay for Life. If you were unable to participate we are hoping to plan a relay in the fall. Here are some wonderful pictures from our walk:
