

Dear Parents/Guardians,

Last week in the update I reported that the last day of school would be June 25, 2020. This was the wrong date. The last day of school is scheduled for June 24, 2020.

This week AES Educator's will be preparing student materials to be picked up at the end of the week. Your child's teachers will communicate the day he/she will be packing up student materials and will not be available for support on that day.

Student materials will be distributed on May 21 and May22. Pick up is assigned by grade level. If you have more than one child at AES please pick up during the assigned window for your oldest child. If your child currently has an AES library book we will have boxes along the traffic line as you drive through. Please place the library book in one of the boxes while you are waiting for your child's materials.

Pick up Routine:

- Enter school grounds and follow the "regular" dismissal traffic pattern
- Your child's first name, last name, and grade level should be posted in the window on the passenger side of the car. If you are picking up for more than one child please have all names displayed
- Your child's materials will be brought to you and placed in your vehicle on the passenger side
- If you would like materials placed in the "trunk" of your vehicle get out of your car, open the back of the vehicle, and get back in your car while waiting
- **YOU DO NOT NEED TO GET OUT OF YOUR CAR WHEN COLLECTING BELONGINGS!**
