Breakfast ** DAHLY

We know breakfast plays a role in improving academic performance. Studies have shown that students who eat breakfast have longer attention spans, perform better at complex tasks, score better on standardized tests, have better social skills, are more alert, miss fewer school days and are generally healthier.

SAVE TIME!

Breakfast is free of charge for all students daily and can be picked up in the cafeteria before school.

Clean out your closets and drawers to support the AHS GRAD NIGHT by donating your unwanted SOFT goods:

- Men's, women's & children's clothes, coats, shoes, scarves, handbags, wallets, ties, belts, backpacks.
- Bedding, comforters, blankets, sheets, towels, tablecloths, curtains & pillows.

This year's Sweetheart Dance will be held on May 10, 2024

A Sweetheart Dance is for girls from Grade K to Grade 6

and someone special in their lives

The event will be held at Cashman School from 6:30 PM to 8:30 PM

This year's theme is "Once Upon a Time...."

We will be sending along more details as the event gets closer!

- Do you know someone who is experiencing a financial crisis?
- Are there children/families you know who need support in funding their extracurricular activities?
- Are you or someone you know experiencing health or economic factors that may affect their children's ability to participate in their favorite activities?
 - Would you like to help others in need in your community?

If you answered yes to any of the above, please check out Greenstone Gives, Inc.
We are an Amesbury based non-profit whose goal is to support families in our
local communities whose children are impacted by health and economic factors
by financially supporting their extracurricular activities.

When tragedy strikes, sometimes the first things to go are extracurricular and social and emotional activities. We help bridge the gap and alleviate the financial burden from parents/caregivers during difficult times to keep children doing what brings them joy and giving them a gift of consistency.

We also encourage the gift of giving through participating in our many events throughout the year and/or financially.
