

Grade 7 Summer Reading Assignment 2022

Sketchable Quotes

What you need:

- A summer reading book from the list provided
- Post-it notes
- White 8 x 11 paper
- Drawing tools (colored pencils)

Step 1: Find and flag quotes

As you read your book, look for quotes from your story that do the following:

- Describe a **character**.
- Explain **important events** from the story.
- Use **powerful words** to help you **imagine the story** in your mind.
- Write 1-2 sentences that explain the significance of each quote.

When you find a meaningful quote, flag it (write the quote and page number on a post-it note). Collect a **minimum of 9 quotes**. Be sure to find examples from the beginning, middle, and the end of the story.

Step 2: Sketch

For each quote you will create a picture or sketch, with the quote in the center of the page. Your picture or sketch will go around the quote and can be one of the following.

An image (drawing/illustration of what the quote is describing)

A symbol- an item or group of items that connect with the person or event

An actual scene from the story illustrating what is happening at that point in the story.

Examples of symbols. You will add your quote to your drawing.

Step 3: Explain

Write 1-2 sentences explaining the significance of the quote. Why did you choose this quote and what does it mean?

Example:

“We are only as strong as we are united, as weak as we are divided”.

Harry Potter and the Goblet of Fire.~Albus Dumbledore

This quote means that a group that works together is powerful and a group that is fragmented is weak and ineffective. I chose this quote because I believe our government needs to figure out how to work together and move past their differences so that we can become stronger as a nation.

WHEN YOU RETURN IN SEPTEMBER BRING YOUR POST-ITS AND SKETCH PAGES
