I have read and understand the Amesbury Public Schools Technology Systems Acceptable Use Policy. I am aware that district technology, including the Internet and network access, is designed for educational purposes. However, I also recognize it is impossible for the Amesbury Public Schools to restrict access to all controversial materials, and I will not hold the District responsible for materials acquired on the network. I further understand that the provisions of this policy are subordinate to local, state and federal statute and that violations are unethical and may constitute a criminal offense. Should I commit a violation my access privileges may be revoked and I may be subject to other disciplinary actions prescribed by law or other school policies.
