For Special Ed.

iAdvocate-<http://iadvocate.syr.edu/>

The goal of the iAdvocate application is to both share and develop specific strategies with parents of children with disabilities for working collaboratively with a school team in order to improve children's education.

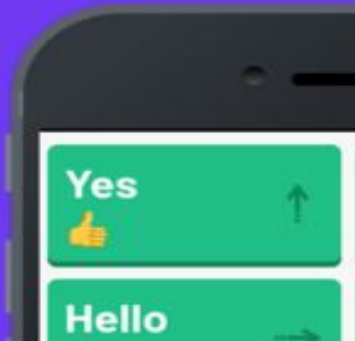

Speakprose-

<https://itunes.apple.com/us/app/speakprose/id1390773107?mt=8>

Speakprose™ is a conversational AAC speech app that gives nonverbal users or people with verbal challenges the tools and self-confidence to engage in conversation, build meaningful relationships, and express their true selves. With an intuitive interface, users can tap or gesture to quickly access core words, express wants, needs, feelings, build sentences, ask questions, and more.

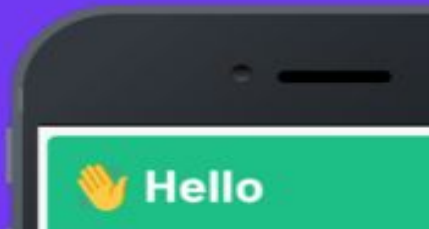

Tap to Speak

Speak core words and sentences

Gesture to Speak

Swipe or draw shapes to access words and phrases

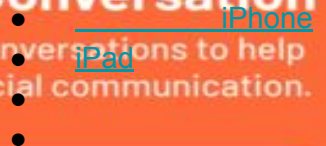

Speak Sentences

Create sentences with just

Learn Conversation

Practice conversations to help improve social communication.

Libby,OverDrive-

<https://itunes.apple.com/us/app/libby-by-overdrive/id1076402606?mt=8>

WEBSITES

Puppetmaster- <http://www.shmonster.com/puppetmaster/>

<http://www.shmonster.com/puppetmaster/>

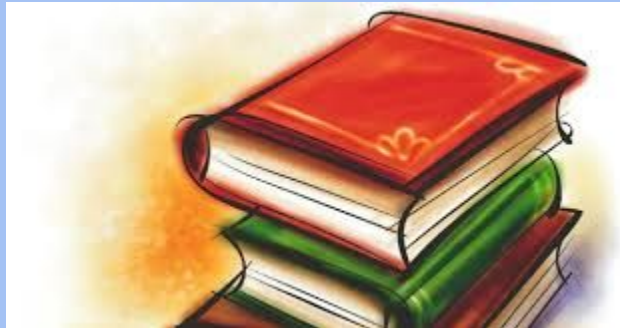

Book Creator- <https://bookcreator.com/chrome/>

Book Creator is one of the few apps on Chrome that allows for text, images, audio and video to be added to a page, all from one simple menu. **Just press +**

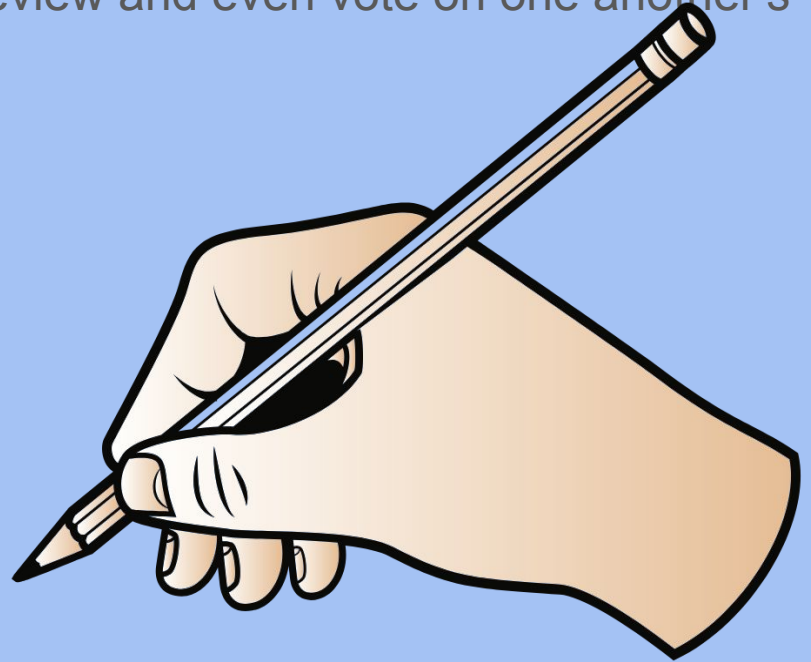

What's more, you can add shapes, comic templates, stickers and emojis. If you can't find what you need, use the built-in **Google Image Search**.

This means that Book Creator is flexible enough to use in any subject, with any grade level.

Boomwriter- <https://www.boomwriter.com/>

Students can share writing, collaborate, review and even vote on one another's works
