

SCHOOL COMMITTEE POLICIES

AMESBURY PUBLIC SCHOOLS

RESIDENCY

JFAA

In order to attend Amesbury Public Schools, students must reside in Amesbury. Students who are enrolled in the School Choice Program are allowed to attend Amesbury Public Schools as well. "Residence" is the place where a person dwells permanently, not temporarily, and is the place of his/her domestic, social and civic life. Temporary residency for the purpose of attending Amesbury Public Schools will not be considered residency under this policy.

Amesbury can verify residency by several means. In the event residency is in question, school officials will reserve the right to ask for 3 different types of documentation, including but not limited to: a lease agreement for your current apartment or copies of any utility or telephone bill registered to your name. The City Clerk may be asked to verify you are a registered voter in Amesbury, or the Assessor's office may be asked to verify the name on the residency. If you do not have any of the above means, you may additionally be asked for proof of rent payment to an Amesbury address through a cancelled check or money order.

If you cannot provide residency documentation, the Amesbury Public Schools will ask the attendance officer to investigate the living situation. If it is determined that you do not reside in Amesbury, your child will be dismissed immediately from the Amesbury Public Schools. The average most up-to-date per pupil cost to educate a student in Amesbury will be charged. Additional penalties, including fines and legal action, may be imposed on families found to be in violation of the residency policy.

Any attempt to subvert this policy is considered theft of services by the Amesbury Public Schools. This decision may be appealed first to the Assistant Superintendent, and finally to the Superintendent of Schools, whose decision shall be final.
