

FoodSource Hotline: 1-800-645-8333

Project Bread's FoodSource Hotline helps the most vulnerable populations in our state—elders, immigrants, and working poor families who struggle to gain access to SNAP because of stigma, confusion about eligibility, and difficulty navigating a complex application process.

WHAT IS THE FOODSOURCE HOTLINE?

The FoodSource Hotline connects people struggling to put food on the table with SNAP benefits and other food resources in their communities. The Hotline answers over 28,000 calls from food insecure families and individuals across Massachusetts each year. The multilingual staff, complemented by able translators, can assist callers in over 180 languages.

Our hotline counselors connect callers to emergency food resources in their area.

In addition to calling the hotline, people in need can also reach hotline counselors by instant message through www.gettingsnap.org.
