

Research Project

The **PSYCHOLOGY OF AFFLICTION**: Psychological Maladies, Fears, Phobias and Afflictions – and their Remedies

Abnormal BEHAVIORS & Mental Processes

1. Create a Power Point Presentation and/or a Detailed Poster

- a. What psychological problems do people encounter?
- b. What are the details of the problem?
- c. How are people affected?
- d. Why do people have this problem?
- e. What are some of the remedies?

Be sure to confirm your choice w/ Mr. J

2. Report back to class

3. Due Date: Monday of the week before Midterm Exams

4. SOURCES of Information MUST Be Cited!!! – Please note that this does not mean simply a web site URL (e.g. www.whatever...)
