

PSYCH A PROJECT

DUE: Before MidTerm Exam

Two Power Point presentations –

I. John Medina's Brain Rules

3 Goals

- a. Encouraging Creativity
- b. Understanding Medina's Brain Rules (study & memory)
- c. Applying the rules by using the rules in presenting the rules

VISION Trumps ALL; Words & Visuals on 14 – 26 Slides; Title Slide w/ Creator Name & Class; Sources Slide for visuals (don't forget Medina Site)

II. YOU Be the Psychologist

In 3-5 Slides, create a Power Point presentation expressing what approach(es) / method(s) to Psychology YOU would choose. Which of the

different type(s) of Psychologist / Psychiatrist would
you most resemble and **WHY?**

Cite your sources please!
