

## Amesbury Elementary School invites you to join the ***Birthday Book Program***

The AES Library invites you to make a book donation to our library in honor of your child's birthday. The purpose of the *Birthday Book Program* is to help build a quality collection of children's books in the library and to honor your child on his/her birthday. Birthday books are presented during library class to recipients and your child will be the first person to check out the new book. After the book is returned, it will become a part of the library collection.

You or your child may select a book from the new book collection housed in the library, or I will assist your child in choosing an appropriate book. We will add a bookplate with your child's name, age and birthday. A suggested donation is \$10-15, which covers the cost of most books, handling, and processing costs.

If you would like to participate, please fill out the form below and send it into school with your child in an envelope along with your donation (cash only please). This form is also available on the library website.

Thank you for your support!
